JOHN H. MCKAY

Head Coach and Vice President

John McKay marks his 25th season as a head coach in 1984 and there is nothing he would like more for a silver anniversary present than a return for the Tampa Bay Buccaneers to the top of the NFC Central Division and success in postseason play.

"Last season was a long year for all those involved with our team," he says. "I appreciate the support we've received from our fans. I think those that followed the situation realize the obstacles we had to confront as the season went along. I truly believe we have the talent on the team to win if we keep them healthy. I think the players and coaches have caught a lot of heat in the last year and we all want to show our worth."

In 24 seasons McKay's teams have won 11 college conference or professional division championships. They have made 12 trips to postseason play (nine bowl games and three professional playoff years). Along with Tom Landry of the Dallas Cowboys who also enters his 25th consecutive head coaching season this year, McKay has been at his profession at the major college or professional level longer than any active coach.

McKay has persevered at his demanding profession for so long by combining an undying competitiveness with a realistic approach. "It has occurred to me that almost all coaches I started with are no longer in coaching," he says. "Maybe I'm not as smart as they are. But it is something I enjoy. There is no feeling like putting a team together and then coaching them during the week and seeing the result."

McKay's unflappable attitude and perseverance has won many admirers. As former Philadelphia coach Dick Vermeil wrote during last season's difficulties, "Very few men have given to the game what you have and I hope you can maintain your sense of humor through this bad year. You will bring 'em back. I wish I had your inner strength. If I did I would still be in the game."

As he enters his ninth season with the Buccaneers, only three current coaches (Landry, Don Shula and Chuck Noll) have been with their NFL team longer. He has guided Tampa Bay to the playoffs three times in the last five seasons. Only three teams have qualified more often in that span (Dallas, Miami and San Diego). On all three occasions McKay has marched his team into the playoffs with final week wins.

In 16 seasons at the University of Southern California (1960-75), McKay posted a 127-40-8 mark (.760) while winning nine Pac-8 championships. He took his team to eight Rose Bowls (winning five) and one Liberty Bowl (a win in 1975 over Texas A&M). His Trojans won four national championships (1962, 1967, 1972 and 1974). Only one other coach, his longtime friend Paul "Bear" Bryant, won more national titles (six) in the history of college football.

McKay was born in Everettville, West Virginia where his father was a coal miner. Following his father's death, McKay helped support his family through odd jobs while earning all-state honors as a football running back and starring at guard in basketball at Shinnston High School.

After serving in the Army Air Corps during World War II, McKay enrolled at Purdue and was a starting defensive back in 1946. He then transferred to Oregon and was a two-way starter in 1948 and 1949. Teaming with the late Norm Van Brocklin, McKay helped the 1948 squad to a 9-1 record and a trip to the Cotton Bowl. He still holds the school career record of 6.4 yards per carry.

In 1950 McKay decided against offers from the New York Yankees of the All-American Football Conference and the FBI to become a low paid assistant coach at Oregon.

McKay coached both offense and defense at Oregon for nine years under Jim Aiken and Len Casanova. After Casanova graciously credited McKay's plans for three consecutive Webfoot wins over Southern Cal, Don Clark added him to the Trojan staff in 1959. In 1960 he was named head coach at USC following Clark's retirement.

During the McKay years, Southern California dominated the Pac-8 conference, finishing first or second 13 times and losing only 17 conference games in 16 years with 14 consecutive winning seasons.

McKay's final nine USC teams were a remarkable 80-17-6 (.825) overall, winning four Rose Bowls and three national championships. Known for winning the big games, those final nine Trojan teams (1967-75) were 21-9-2 (.700) in regular season games against fellow powers UCLA, Notre Dame, Oklahoma, Arkansas, Alabama, Nebraska, Texas and in the Rose Bowl.

The McKay years at Southern California produced 40 All-American selections, most notably a string of outstanding tailbacks. Two of them, Mike Garrett (1965) and O.J. Simpson (1968) won the Heisman Trophy. An indication of McKay's eye for talent is that four of the top five tailbacks during his USC years were not running backs in high school (Simpson—receiver, Clarence Davis—guard, Anthony Davis—quarterback and Ricky Bell—linebacker).

McKay produced outstanding players at nearly every position while at Southern California including Pat Haden, Charle Young, Lynn Swann, Marvin Powell and Richard Wood.

He was elected Coach of the Year in 1962 and 1972.

By remaining at Southern California, McKay would now undoubtedly be the leader in wins among major college coaches. However, McKay accepted the challenge of building the expansion Tampa Bay Buccaneers from the ground up on October 31, 1975. The original five-year contract was extended by Buc owner Hugh Culverhouse for five more years, through 1985, at the conclusion of the 1979 season.

"I have enjoyed every bit of my association with Hugh Culverhouse," says McKay. "He's been a great support through some difficult times and some happy times."

McKay's early Buccaneer teams were castigated in some quarters for their reliance on the I-formation and 3-4 defensive concepts that had served him so well at Southern California. But McKay felt these formations were sound and particularly well-suited to a young, professional team. In the team's fourth season, the Buccaneers used a resolute 3-4 defense and a strong I-formation rushing attack to advance to the NFC Championship Game, the fastest rise from expansion to a championship game in NFL history.

Away from the game McKay is an avid reader, golfer and fan of John Wayne movies. He and his wife, the former Nancy Hunter (known as Corky), have two married daughters Michele and Terri, and two sons who are lawyers, John and Richard. There are four grandchildren. He is the author of **McKay: A Coach's Story** (with Jim Perry) published in 1974.

WHAT THEY'VE SAID ABOUT HUGH GREEN

"He has all the speed, agility, strength and other qualifications you would want in a player. He has more explosion as a tackler than any player I've ever seen. He pursues relentlessly and is his own biggest critic. His only weakness is that he's not twins." — **John McKay**.

"It looked like Jackie Sherrill had told Hugh Green that he would be off the team if he didn't make every single tackle." — **Florida State head coach Bobby Bowden**

"That Hugh Green in Tampa scares me most of all. All you see is two mean eyes staring out. That's very disconcerting... very menacing." — **Ahmad Rashad, former Minnesota Vikings wide receiver writing in Sports Illustrated**

"Our philosophy is to run right at a player like Green... at least he makes the tackles quick so we don't waste so much film." — **Arkansas coach Lou Holtz**

Buc Acquisition: Obtained from Miami for a 1982 second-round draft choice in 1980

Pro: Intense competitor who hopes to win back his starting left cornerback position after seeing limited action last year due to offseason shoulder surgery that necessitated his placement on the physically unable to perform list... placed on that list early in 1983 camp and was not activated until St. Louis game 10/16)... saw action in 10 games and finished 1983 with five defensive tackles and seven more on kick coverage... a fierce tackler who excels in "forcing" against the run, he started at left cornerback for Bucs in 1981 and 1982, leading defensive backs in tackles with 81 in 1981 and added 38 more in 1982... his only two interceptions as a Buc have both preserved last minute victories (12/19/82 vs. Buffalo and 38 games earlier vs. Rams 10/9/80)... caused 3½ fumbles in his two starting seasons with Tampa Bay... started all nine games in 1982 and 15 of 16 in 1981... only missed start in that period was vs. Detroit (12/20/81) with an injured neck, although he still played extensively... Dolphins re-signed him in 1977 after San Francisco expressed interest in him... surprised all by working his way into starting lineup... set Dolphin record for tackles by a cornerback with 95 in 1977 and followed with seasons of 93 and 73 tackles for Miami... now wears contacts when playing (he previously wore glasses until suffering seven-stitch gash when lens shattered)... scored only career touchdown with 53-yard interception return for Miami vs. Baltimore on 9/10/78.

NOTES

All three of the Bucs' offensive tackles fell to injury in the first half of the season opener, making things difficult

for Tampa Bay's offense. The Buccaneer defense held Detroit without a touchdown but three Eddie Murray field goals and a safety provided the Lions with the points needed for the victory.

Jerry Golsteyn started at quarterback for Tampa Bay and was followed in the second half by Jack Thompson. With the unsettled tackle situation (Dave Reavis sprained a knee three plays into the game and Gene Sanders with an ankle injury and Kelly Thomas with heat exhaustion followed him to the sideline before halftime), neither had time to throw as the Lions amassed seven sacks, 5½ credited to William Gay.

The Lions led 5-0 in the first quarter with Doug English's sack of Golsteyn providing the first two points. Gary Danielson replaced Detroit quarterback starter Eric Hipple after a third quarter interception. Danielson directed Detroit to a final fourth quarter field goal. (Tampa Bay record 0-1.)

NOTES

Terry Schmidt's 32-yard scoring interception return four minutes into the fourth quarter snapped a 10-10 tie and sent Tampa Bay to a frustrating 17-10 defeat at the hands of the Chicago Bears at Soldier Field.

The game established the pattern for a number of narrow Buccaneer defeats. Tampa Bay's defense performed well, breaking down only when Walter Payton converted a short pass into a 73-yard scoring play in the second quarter.

Offensively the Buccaneers moved well, especially in the second half, but were unable to take complete advantage of their scoring opportunities. One frustrating sequence in the second quarter saw Tampa Bay limited to a field goal after a first and goal situation at the Bear one-yard-line.

Tampa Bay tied the game at 10-10 in the third quarter when Jerry Golsteyn's 23-yard pass to Jimmie Giles carried to the one and set up James Owens' scoring dive.

Golsteyn's 22 completions in 42 attempts included seven to Giles (tying a career high for the tight end) and six for a career-high 98 yards to Gerald Carter. Payton finished with only 45 yards rushing (on 17 carries) but used the long pass reception to total 115 yards on six receptions.

NOTES

Benny Ricardo's fourth field goal of the game, a 42-yarder 9:27 into overtime, gave the Vikings a 19-16 win. It was the first of three overtime losses the Bucs would suffer in 1983.

The Bucs came within one play of securing the win on two different occasions but were unable to nail down the triumph. With just over a minute left in regulation play Tampa Bay was protecting a 16-13 lead. The Bucs held the Vikings to a fourth-and-eleven situation at the Buc 48-yard line but Minnesota quarterback Steve Dils found Terry LeCount for a 31-yard completion to the Tampa Bay 17-yard line. Three plays later, Ricardo sent the game into overtime with a 38-yard field goal with 24 seconds left.

The Bucs held Minnesota's first possession in overtime. Tampa Bay then drove for three first downs to the Viking 15-yard line but Bill Capece's 33-yard attempt at the winning field goal was wide to the left. Dils then moved the Vikings into position for Ricardo's game-winner mainly on a 48-yard pass to Rickey Young.

The game was Jack Thompson's first start at quarterback for the Buccaneers. It was the last start of the year for Minnesota's Tommy Kramer who suffered a season-ending knee injury late in the first quarter after completing his first eight passes of the game.

NOTES

Playing against his former teammates for the first time Buc quarterback Jack Thompson proved to be the focal point of a close contest. He completed 75% of his 40 passes for a Buccaneer team record and his 30 completions tied the club mark. He passed for 316 yards, his first 300-yard game of his NFL career. His passing sparked the Buccaneers in a furious rally from a 20-0 deficit in the second quarter.

James Wilder tied his team record with 11 receptions, converting them into 126 yards in receptions.

Tampa Bay cut the Cincinnati lead to 23-17 with 9:19 left on a 15-yard Thompson-to-Kevin House pass. John Holt then intercepted Anderson and Thompson's passing guided the Bucs to a first down at the Bengal 12-yard line. Cincinnati held when Thompson's fourth down pass to Jimmie Giles was intercepted in the end one by Robert Jackson.

NOTES

A day to forget for Tampa Bay. The Packers' potent passing attack took advantage of a patched-up Buccaneer secondary for 287 first-half passing yardage en route to a 49-7 halftime lead. The 49 points represented an NFL record for most points scored by an NFL team in a half.

Playing without four defensive starters (three in the backfield), both offensive guards and running back James Wilder, the Buccaneers did perform better in the second half.

NOTES

Rafael Septien's 42-yard second-chance field goal 4:38 into overtime rallied the Cowboys to a 27-24 victory over an inspired and resurgent Buccaneer team.

Tampa Bay, coming off a 41-point defeat the week before at Green Bay, played a courageous game that did everything but produce victory. Shaking off 185 yards in penalties, the Bucs appeared to have the game won when James Wilder scored from 23 yards out with nine minutes left for a 24-17 lead and Cedric Brown intercepted Danny White at the two-minute warning.

The Bucs were unable to get a first down as Dallas used its timeouts and after a punt the Cowboys took over on their own 26-yard line with 1:19 remaining. On the fifth play White threaded a short pass to Timmy Newsome who tightroped 52 yards down the sideline for the tying touchdown with 47 seconds left.

In overtime the Cowboys moved into position for a 50-yard field goal try when White hit Butch Johnson for 46 yards. Septien missed the 50-yard attempt but Tampa Bay's Thomas Morris was flagged for roughing the kicker. After three plays, Septien tried again and converted from 42 yards out.

Jack Thompson played well for the Buccaneers with 19 of 30 for 272 yards

including an 80-yard non-scoring pass to Jimmie Giles. The Buccaneer secondary was bolstered by the return of Mark Cotney from injured reserve and Tampa Bay sacked White five times. Still his late passing heroics boosted his final yardage total to 377 yards, the second best figure ever against the Bucs.

NOTES

Neil Lomax threw three touchdown passes to lead the Cardinals to a 34-27 win over the Bucs. He was the only quarterback to throw three TD passes in one game against the Buc defense in 1983.

The Bucs were crippled by the loss of starting linebackers Andy Hawkins (knee, out for the season) and Hugh Green (ham-string) from the opening lineup. Tampa Bay's starters were a pair of recently signed players Ed Judie and Robert Thompson and their unfamiliarity with the system limited the number of defenses Tampa Bay could employ.

Lomax's third TD pass, a 16-yarder midway through the third quarter to Doug Marsh, boosted St. Louis to a 27-6 lead. Tampa Bay roared back with Jack Thompson passing to Theo Bell for one score and Green, hobbling onto the field late in the game, producing another with a 33-yard interception return. With the score 27-20, Bennie Perrin choked off the rally with an interception that set up the Cardinals' final score.

Jeff Davis tied a Buc team record with 18 tackles in the game.

NOTES

The Buccaneers broke to a 14-0 lead and had a 21-10 halftime advantage but New Orleans rallied in the second half to pull out the victory.

The game's decisive play was an interception and 70-yard touchdown return by New Orleans' Bobby Johnson that gave the Saints a 24-21 lead late in the third quarter. A swarming Saint

defense that would sack Jack Thompson seven times kept Tampa Bay off the scoreboard thereafter.

The contest was James Wilder's first start at tailback and he had the first of three consecutive combined 100-yard rushing and receiving days at that position (20-64 rushing, 9-50 receiving). The Buc defense keyed the 14-0 lead with Lee Roy Selmon's sack putting Tampa Bay in good field position for its first touchdown, then rookie Jeremiah Castillo returned an interception for a 69-yard touchdown just over six minutes into the game.

Wilder added his second rushing touchdown at the end of a 75-yard drive late in the first half for a 21-10 lead but a series of misfortunes including two missed field goals prevented Tampa Bay from taking better advantage.

The Bucs intercepted Ken Stabler four times (two by Mike Washington) and Selmon had the fourth three-sack game of his career.

NOTES

For the second consecutive week the Buccaneers knew the frustration of losing a substantial lead as the Pittsburgh Steelers scored all of their points in the fourth quarter to claim a hard-fought win.

Behind the ball-control running of James Wilder and an aggressive defensive effort that forced seven turnovers, Tampa Bay dominated the early part of the game. The Bucs were unable to reach the end zone but kicker Bill Capece, in his best performance of the season, kicked four field goals for a 12-0 lead entering the fourth quarter.

Pittsburgh closed to 12-10 with five minutes left in the game. The Bucs had a chance to put the game away when Jack Thompson threw an accurate pass to Kevin House behind the defense but the ball was dropped. The Bucs had to punt and Pittsburgh drove to the winning score behind the scrambling and passing of Cliff Stoudt. Frank Pollard scored from one-yard out with 31 seconds left.

Wilder gained 126 yards and his 42 carries set a new NFL record (broken by one by Butch Woolfolk of the Giants a few weeks later).

NOTES

With James Wilder rampaging for 219 yards, the Buccaneers ended nine weeks of frustration with a 17-12 win over the Vikings. Wilder's 219-yard total has been exceeded by only seven running backs in NFL history and is the most by a back since Walter Payton's 275-yard game in 1977.

The Bucs trailed 9-7 when Wilder made the biggest play of the game, dashing 75 yards around left end to a touchdown. It was the longest run in team history. Then in the fourth quarter with Tampa Bay clinging to its 17-12 lead and trying to run out the clock, Wilder dashed 34 yards for a vital first down.

Tampa Bay fell behind 9-0 early in the game as a pair of kick team miscues provided the Viking points (blocked punt and fumbled punt). But the Buc defense lifted the team back in the game when Lee Roy Selmon sacked quarterback Steve Dils who fumbled and David Logan returned the ball 54 yards for a touchdown. It was the third time in their careers that Selmon and Logan have teamed up to produce such a touchdown.

NOTES

The Buccaneers lost more than a game in Cleveland on November 13th. They lost star running back James Wilder for the season when he broke a pair of ribs after being tackled by the Browns' Eddie Johnson in the third quarter.

Tampa Bay's frustrations at the goal line continued in the first half of the Cleveland game. The Bucs controlled the ball on a second quarter drive for over nine minutes but came away empty when a 23-yard field goal attempt was wide right. A few minutes later a 31-yard attempt also missed and the Browns survived the first half with a 10-0 lead and went on to the victory.

Thompson found Kevin House with two of the touchdown throws including a spectacular diving 41-yarder that gave the Bucs a 19-10 lead early in the third quarter. James Owens had a personal season-high 80 yards rushing to lead the Buc rushing attack.

Tampa Bay's defensive effort was led by Beasley Reece (two interceptions) and Booker Reese (whose interception set up Tampa Bay's fourth touchdown). It was the first time the Bucs had scored five touchdowns on offensive plays in one game.

Wendell Tyler rushed for 102 yards against the injury-plagued Buccaneer defense. Lee Roy Selmon did not play for Tampa Bay and the Bucs' other Pro Bowler Hugh Green played with one eye swollen shut as the result of an allergic reaction. Green still recorded 10 tackles. Against the Buc defense, San Francisco put together four touchdown drives of over 65 yards.

House's six receptions for 156 yards included a 74-yard scoring catch, Tampa Bay's longest scoring pass of the year.

NOTES

Jan Stenerud, who earlier in the evening set an NFL career field goal record, kicked his fourth field goal of the game 4:07 into overtime to frustrate a valiant Buccaneer defensive effort. It was Tampa Bay's third overtime loss of the season and an NFL record fifth overtime session for the Packers.

The Buccaneers, who had surrendered 55 points to the high-scoring Packers in the season's first meeting, held Green Bay out of the end zone throughout the contest. Tampa Bay limited Green Bay's outstanding pair of wide-receivers James Lofton and John Jefferson to only three pass receptions while intercepting a trio of Lynn Dickey passes.

Adger Armstrong scored the game's only touchdown on a four-yard reception from Jack Thompson with 7:33 left for a 9-6 Buc lead. But the extra point was no good, as was a subsequent 35-yard Buc field goal try with 2:49 left.

Dickey then manipulated the Packers into position for Stenerud's tying 23-yard field goal with 28 seconds left. Harlan Huckleby's rushing highlighted Green Bay's 65-yard drive with the overtime kickoff for another 23-yard field goal to win it. It was the second ABC Monday Night telecast ever from Tampa Stadium.

NOTES

Kicking problems once again proved instrumental in frustrating the Buccaneers. Tampa Bay carried the play to the Lions, who became NFC Central Division champions shortly after kickoff when Chicago defeated Green Bay, but Eddie Murray connected on three Detroit field goals while Tampa Bay's new kicker Dave Warnke missed a short field goal and an extra point.

The game marked an outstanding passing performance by Jack Thompson who passed for 373 yards, the second highest total in team history. Thompson completed 28 of 42 passes including three for touchdowns. Leading the receivers was Kevin House who caught a career-high eight passes for 136 yards.

APPLYING THE SCHEDULE FORMULA

The opponents and sites for the Buccaneers' 1985 schedule will be known as soon as the 1984 season is completed. The NFL schedule formula matches teams in a predetermined manner based on their final positions.

If in 1984 the Bucs finish **FIRST** or **FOURTH** in the NFL Central, their 1985 opponents will be: two games (home-and-home) with the other four NFC Central teams (eight games), one game each with the first-place teams in the NFC West and the NFC East (two games), one game each with the fourth-place teams in the NFC West and the NFC East (two games) and one game each with the top four teams in the AFC East.

If in 1984 the Bucs finish **SECOND** or **THIRD** in the NFC Central, their 1985 opponents will be: two games (home-and-home) with the other four NFC Central teams (eight games), one game each with the second-place team in the NFC West and the NFC East (two games), one game each with the third-place teams in the NFC West and NFC East (two games) and one game each with the top four teams in the AFC East.

If in 1984 the Bucs finish **FIFTH**, their 1985 opponents will be: two games (home-and-home) with the other four NFC Central teams (eight games), one game each with the four teams of the NFC West (four games), home-and-home games with the fifth place team in the NFC East (two games) and one game each with the fifth-place teams in the AFC West and AFC East (two games).

PLAYOFF INFORMATION

Selection of Clubs

1. Three division champions from each conference.
2. Two "Wild Card" clubs (non-champions with two best records) from each conference. Both wild cards may come from the same division. Clubs eliminated in Division Championship tie-breakers are eligible if their records qualify them.

Division Ties

If, at the end of the regular season, two or more clubs in the same division finish with the best won-lost-tied percentage, the following steps will be taken until a **CHAMPION** is determined:

TWO CLUBS

1. Head-to-Head (best won-lost-tied percentage in games between the clubs).
2. Best won-lost-tied percentage in games played with the division.
3. Best won-lost-tied percentage in games played within the conference.
4. Best won-lost-tied percentage in common games, if applicable.
5. Best net points in division games.
6. Best net points in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss.

THREE-OR-MORE CLUBS

(Note: If two clubs remain tied after a third club is eliminated during any step, tie-breaker reverts to Step One of two-club format.)

1. Head-to-Head (best won-lost-tied percentage in games among the clubs).
2. Best won-lost-tied percentage in games played within the division.
3. Best won-lost-tied percentage in games played within the conference.
4. Best won-lost-tied percentage in common games.
5. Best net points in division games.
6. Best net touchdowns in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss.

Draft Priority

1. If two or more clubs are tied for selection order, the conventional strength-of-schedule tie-breaker will be applied, subject to the following exceptions for playoff teams:
 - A. The Super Bowl winner will be last and the Super Bowl loser will be the next-to-last.
 - B. Any non-Super Bowl playoff team involved in a tie moves down in priority as follows:
 1. Participation by a club in the playoffs without a victory adds one-half victory to the club's regular season won-lost-tied record.
 2. For each victory in the playoffs, one full victory will be added to the club's regular season won-lost-tied record.
 - C. Clubs with the best won-lost-tied record after these steps are applied will drop to their appropriate spots at the bottom of tied segment. In no case, will the above process move a club lower than the segment in which it was initially tied.

Wild Card Ties

If necessary to break ties to determine the two Wild Card clubs from each conference, the following steps will be taken:

1. If all the tied clubs are from the same division, apply division tie-breaker.

TAMPA STADIUM

EXECUTIVE DIRECTOR: Joe Zalupski

STADIUM MANAGER: Rick Nafe

PLANT ENGINEER: Henry Menkemeyer

ADDRESS: North Dale Mabry Highway, Tampa, FL 33607

CAPACITY: 74,317

TELEPHONE: (813) 872-7977

On January 22, 1984 over 60,000 visiting NFL fans found out what Tampa Bay area fans have always known—Tampa Stadium is an unsurpassed venue for championship professional football. For it was on that day that Tampa Stadium became only the eighth structure to host a Super Bowl.

With a minimum of excess area around the field, seats clustered around mid-field and no pillars obstructing view, Tampa Stadium offers excellent sightlines for fans of any event. The high grade Bermuda grass with its 18-inch crown has excellent drainage and ranks high on all lists of outstanding playing surfaces in the NFL. George Toma of Kansas City, the official Super Bowl groundskeeper, said, "This surface is in the best shape of any field to ever house the Super Bowl."

With the addition of extra seating last year including 36 private boxes over the east stands, Tampa Stadium now seats 74,317 for Buccaneer games. With the addition, Tampa Stadium is now the third largest stadium in the NFC. Only the Pontiac Silverdome and Giants Stadium can boast greater capacity.

The Super Bowl game between the Los Angeles Raiders and the Washington Redskins set a new stadium attendance record of 72,920. The prior mark of 72,033 was set at the January 6, 1980 NFC Championship Game between the Buccaneers and the Los Angeles Rams.

The stadium originally seated 46,500 fans in concrete stands along either sideline. Construction started in October, 1966 and Tampa Stadium was dedicated on November 7, 1967. The initial structure cost only \$4.6 million. In this configuration it served as home to the University of Tampa as well as other college football games and professional preseason contests.

As part of the awarding of an NFL franchise to Tampa Bay in 1975, the end zones were enclosed to raise seating capacity to over 72,000. Other additions in 1975 were new computerized scoreboards at either end and an additional level on the press box above the west stands.

The complex is administered by the Tampa Sports Authority, a public board composed of 11 members from both the city of Tampa and Hillsborough County which was established by the State of Florida in 1965.

BUCCANEER RADIO NETWORK

For the sixth consecutive season, Buccaneer fans can follow their team on radio through the excellent play-by-play descriptions of sportscaster Mark Champion. Known for his enthusiasm, authority, accuracy and resonant voice, Champion has been providing exciting accounts of Buccaneer football since 1979.

He will be joined in the broadcast booth by veteran analyst Dave Kocourek and a new member of the Buccaneer radio team, Ken Broo, who will handle pregame and halftime commentary as well as post game interviews from the locker room.

Buccaneer radio rights are held by Taft Broadcasting and this year the new flagship station of the Buccaneers will be WSUN (620 AM), recently purchased by Taft. The station broadcasts perhaps the most powerful AM signal in Florida. In addition a network of Buccaneer Radio Network affiliates will carry the action throughout the state.

Champion, 33, now the sports director at WSUN, has been the sports direc-

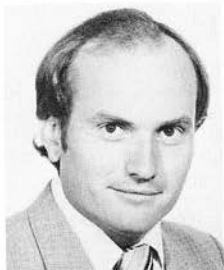

tor at WDAE in Tampa for most of the past 11 years with the exception of a brief period with Tampa television station WXFL. Originally from Muncie, Indiana, he broadcast Ball State University football, basketball and baseball play-by-play while earning a degree in broadcasting. In addition to year-round daily sports reports, he hosts a popular Monday night sports talk show in the fall and has handled a number of other assignments including play-by-play of the Florida Citrus Bowl.

Kocourek is a former all-star player in the American Football League with the San Diego Chargers and Oakland Raiders. His broadcast credentials include analysis for NBC's national football telecasts and he has also done pre-season television commentary for the Detroit Lions and Miami Dolphins. Now employed in real estate marketing and sales in Marco Island, Florida, he is the former Director of Ticket Sales for the Buccaneers. This is his seventh season of Buccaneer radio broadcasts.

Broo, 32, has been the sports director of WTSP-TV for the past four years. Known for his effervescence on the air, Broo came to the Tampa Bay area from Tulsa, Oklahoma, where he was a sportscaster for KOTV. A native of Newark, New Jersey, Broo has been in broadcasting since receiving his degree from Ohio University in 1974. His game-calling credentials include University of Tulsa football and basketball.

BUCCANEER BAND

and

SWASH-BUC-LEERS

NFL players and coaches, Buccaneer and visitor alike, know that Tampa Stadium is one of the most vibrant facilities in the league on game day. Only some of the indoor stadiums in the league with their built-in acoustical advantages can surpass the level of crowd intensity at Tampa Stadium when the Buccaneers are playing. Assisting the great enthusiasm of the Tampa Bay fans are two skilled and valuable support groups, the Buccaneer Band and the Swash-buc-lers.

The Buccaneer Band is one of only three NFL team bands. From a quiet beginning in 1977 the Band has grown to over 100 members with a rapidly diversifying skilled musical sound. A volunteer organization, the Buc Band practices twice a week most of the year under direction of its founder Dean Page. The Band offers an ideal outlet for former scholastic musicians after graduation but its membership goes far beyond that, with all ages and many occupations represented in a harmonious group bound by their combined love of music and football.

The Band provides a lively sound during breaks in the Tampa Stadium action and also entertains before and after games. Drilled to perform on short notice, the Band has a wide repertoire of popular tunes and marches.

The Buccaneer Band participates in much more than just game day functions. Sponsored by Sandpiper Resorts of St. Petersburg Beach-Treasure Island and Eastern Airlines, the Band is often asked to entertain at various functions throughout Buccaneer country. The Band's outstanding performances are a major part of the success of the Tyrone Square Mall Pep Rallies on Fridays before home games since 1979.

In the last several years the Band has further expanded and diversified its musical capabilities. In addition to the game day group of over 100 the Band has a 45-member symphonic band, a 20-piece concert stage band and several brass and woodwind ensembles of various repertoires.

Leading cheers and dancing to the sound of the Buccaneer Band are the Swash-buc-lers. The group was founded with the team in 1976 and has 36 members. The squad performs many complicated dance routines during breaks in the game action in addition to leading the crowd in cheers. The squad's talented and dedicated director and choreographer is Pattie Bean, in her fifth year with the squad.

In addition to their game day activities, the Swash-buc-lers also participate in a large number of off-the-field activities as representatives of the Buccaneers. They have performed on television shows (including the appearance of two girls on Bob Hope's NBC Super Bowl special in January, 1983), in commercials and in many parades.

FOUNDATION

November 4, 1967: Tampa Stadium is dedicated as Tennessee defeats the University of Tampa, 38-0. The dedication concludes planning begun in 1965 by the Tampa Sports Authority, an 11-member public agency formed by the Florida Legislature. The price tag of the 46,700-seat stadium is \$4.1 million.

August 10, 1968: The first NFL preseason game is played in Tampa Stadium as Washington defeats Atlanta before a crowd of 42,000.

November, 1968: First group attempting to secure an NFL franchise for Tampa Bay is formed. This group, known as the Suncoast Pro Football Committee, functions until 1972 when the Tampa Chamber of Commerce appoints the formal West Coast NFL task force headed by J. Leonard Levy.

Summer, 1972: The Baltimore Colts train in Tampa and play three preseason games at Tampa Stadium. Some 33,000 ticket packages for the three games are sold.

August 11, 1973: The New York Jets defeat the San Francisco 49ers, 34-14, in the 13th preseason game staged since 1968 at Tampa Stadium. Average attendance for the games was 41,000.

April 24, 1974: Tampa Bay is awarded the NFL's 27th franchise. As part of the franchise award for the area, Tampa Stadium will be enlarged to 72,000 seats.

December 5, 1974: Hugh F. Culverhouse, Jacksonville attorney and real estate investor who had earlier declined ownership of the Seattle franchise for geographic reasons, is awarded ownership of the Tampa Bay franchise.

February 15, 1975: It is announced that the club will be known as the Tampa Bay Buccaneers, which was also the choice of a local contest to name the new team. On June 15th, the team announces its official colors of orange, white and red trim and gains the logo of a swashbuckling buccaneer.

April 21, 1975: Tampa Sports Authority unanimously approves a 30-year lease agreement with Buc officials for Tampa Stadium. Three days later the Tampa City Council votes 6-1 for approval of the stadium lease and expansion to 72,000 seats.

July 9, 1975: Ground is broken for the Tampa Stadium expansion financed by the sale of \$13 million in bonds by the Tampa Sports Authority.

October 31, 1975: John McKay, four national championships behind him at the University of Southern California, is announced as the head coach of the Buccaneers.

December 27, 1975: Hugh Culverhouse draws first pick in the college draft, while Seattle receives the first pick in the veteran allocation in a special drawing held prior to the Pittsburgh-Baltimore playoff game in Pittsburgh.

August 21, 1976: After three road preseason games, the Buccaneers open at home in expanded Tampa Stadium in a preseason match with the Miami Dolphins. As 67,466 fans watch, the Bucs give the veteran Dolphins all they can handle before succumbing, 28-21.
